Hospital Rates Going Up June 1

Effective June 1, rates at Holland Hospital will be increased. The new room rates are \$4.75 to \$5.75 higher than the present rates.

This lists wards at \$39.25 to \$41.75; semi-private at \$41.75 to \$43.75; private rooms at \$45.25, \$47.25 and \$49.25 and private suites at \$54.25. The \$2 differential is for rooms in the new wing.

Intensive Care Unit rates will be boosted to \$99 a day or \$33 for each eight-hour shift, compared with the present rate of \$25 per eight-hour shift. Emergency room services will be set at \$10, up from the present \$6 rate. Nursery rates will be \$23, compared with \$19.50.

Persons in the hospital less than a day will have pro-rated bills. Those hospitalized up to 4 hours will pay a third day's rate, and those in the hospital 4 to 8 hours will be charged two-thirds rate. Those staying

over eight hours will be charged a full day. Some charges will be reduced, according to Hospital Director Fredric S. Burd who has been conducting cost studies. Charges will be reduced for intravenous feeding, anaesthesia, oxygen, drugs and surgical supplies.

With the new wing in operation, Holland Hospital currently employs more than 500 persons and the 1969-70 budget is just under \$4 million, compared with \$3.5 million for the year just ending.

Factors in the new budget include depreciation item for \$230,000, over double last year's figure, which covers depreciation and accumulates funds for further building; interest on the \$3 million revenue bonds which is about the same as last year; \$25,000 more for pension and social security, and \$167,000 more for salaries.

North Ottawa Community Hospital in Grand Haven recently adjusted its rates to \$43 for wards, \$45 for semis and \$50 for private rooms. Grand Rapids Osteopathic Hospital lists \$42 for wards, \$44 for semis and \$48 for private rooms.

Grand Rapids Blodgett Hospital currently charges \$33.50 and \$34.50 for wards, \$36.50 and \$37.50 for semis, \$40.50 and \$43.50 for private rooms, and \$93.50 for intensive care, but is evaluating costs at present for expected increases.

Five years ago, Holland Hospital in 1964 was charging \$22 for wards, \$24.50 for semis and \$28 and \$30 for private rooms.

Car Collides With Semi Injuring 3

Three persons were injured when a car slammed into a semi on US-31 bypass 322 feet east of the Chesapeake and Ohio railroad tracks at 12:39 p.m. Tuesday.

Doyle Franklin Loucks, 18, of 1350 West 32nd St., driver of the car, was admitted to Holland Hospital for treatment of small head lacerations, a cerebral concussion and a sore neck and back. He was reported in good condition Wednesday.

Ricky Savage, 16, of 406 West 21st St., riding with Loucks, sustained a severe scalp laceration. He was admitted to the hospital for observation and was listed in fairly good condition Wednesday.

The truck driver, Joe Frank Robinson, 56, of 1058 Ionia Ave., SW, Grand Rapids, was released from the hospital after treatment of a sore arm.

Holland police reported the car, westbound on US-31, jumped the median into the path of the semi which was going east on US-31.

Holland firemen were called to the scene for standby duty. It was thought gasoline might have spilled from one of the vehicles; however, none did.

The 1963 model car was damaged on the left side and front. The truck, owned by De Witt Barrels of Grand Rapids, was damaged on the left side.

Police, who noted the car tires were nearly all without tread and the surface of the pavement was wet, cited Loucks for careless driving.

Maroon Duo Wins Crown

KALAMAZOO—Top-seeded Al Vanden Bosch and Dick Frens of Holland Christian captured the Class B regional doubles championship held at Western Michigan University last Friday and Saturday.

Despite bringing home the doubles championship, the Maroons failed to win their 13th consecutive team title, losing out to Kalamazoo Christian.

In the finals played Saturday afternoon, Vanden Bosch and Frens defeated the second-seeded team of Eric Schering and Curt Sportell of K-Christians 6-2, 6-4. The winning duo gained the finals by defeating teammates Dave Port and Steve Exo in the morning semis 6-2, 6-4.

In finishing second overall, the Maroons had 10½ points while Kalamazoo finished with 13 to win the 11 team tournament. Parchment finished third with 8, Hackett 7, West Ottawa 6, Plainwell 5½, South Haven 5, Zeeland and Allegan 4, and Comstock and Oshtemo 0.

Jim Klop of K-Christians won the singles crown defeating Jim Larsen of Plainwell.

Runner-up and champions in singles and doubles qualify to compete in the state finals to be held June 6-7 at Stowe Stadium in Kalamazoo.

Police Probe House Breakin

Holland police are investigating a break-in at the Nelson De Fouw residence at 676 East 24th St. that occurred sometime between 6:30 and 8:20 p.m. Monday.

Entry was gained through a rear window. Police said the house was reported to be locked at the time; however, the window of entry was the only one which did not have screens in.

Allegan Tax Bills May Be Delayed

ALLEGAN — A cash crisis may be in the works for Allegan county municipalities which ordinarily levy taxes for local purposes at mid-year.

Edward W. Kane, secretary of the Michigan State Tax Commission, has notified all cities and townships in the county that "no taxes are to be spread for any purpose by any assessing officer in the county" pending the outcome of an appeal from the tax equalization report adopted by the Board of Supervisors April 28.

Eleven townships and four cities in the county have appealed the board's action in wiping out the efforts of its equalization committee and giving each taxing unit a factor of one. The original committee report awarded varying factors to each city and township, depending on how close their tax assessments were to state guidelines based on the results of a 2-year spot check of county assessments.

Net effect of the board's action was to penalize those units which had assessed real and personal property in line with recommendations of the State Tax Commission guidelines. The City of Allegan, for example, given a "1" factor by the equalization committee, actually would end up paying taxes on \$1.4 million more in equalized value if the board's action is allowed to stand.

While it is more than likely that the Tax Commission will overturn the board's action when it hears the appeals, what may happen in the interim has officials of cities in the county worried. These units levy their local taxes July 1 and a large percentage of their general fund money comes in during July and August.

These levies will be held up pending the outcome of the equalization appeal. According to a 1958 Attorney General's opinion: "If appeals to the state tax commission from either county equalization of tax assessments or from county allocation of tax rates are pending at the time a tax is normally due from a taxing unit, a valid property tax levy cannot be made by such taxing unit until such appeals are finally determined."

Even if the commission were to act immediately on the appeal, Allegan city tax bills probably would be delayed, according to City Manager Kenneth Bollinger.

The city's tentative budget calls for continuing the 10-mill tax rate to raise \$191,108 on a county equalized valuation of \$19.1 million.

Passenger William Hutto, 18, of 134 East 35th St., received a cerebral concussion and abrasions of the right lower leg, mouth and both hands. He was admitted to Holland Hospital for observation and transferred to Blodgett Memorial Hospital, Grand Rapids, Sunday evening. Blodgett Hospital spokesman said Hutto was in fair condition today.

Mrs. Tufty Heads Newspaper Club

WASHINGTON — Esther Van Wagoner Tufty, Washington correspondent for the Holland Evening Sentinel, Holland, Mich., and other newspapers, was unanimously elected president of the American Newspaper Women's Club Monday night by more than 400 member-reporters.

Mrs. Tufty, who heads her own news bureau representing mostly daily newspapers in Michigan and New York state, is the first Washington correspondent to be president of both the W. men's National Press Club (back in 1942) and the rival American Newspaper Women's Club which is the only one with a clubhouse.

Commenting on her election, the "Duchess" as she is affectionately called in Washington, assured the nominating committee that her source of income did not present any "conflict of interest" and that she was not supported by any foundation except the one she was wearing. She did not publicly reveal a financial statement as the law requires of Member of Congress.

Her first duty is to follow through on a club custom dating back to Mrs. Calvin Coolidge and invite Mrs. Richard Nixon to be an honorary member. Mrs. Nixon's picture, along with those of other first ladies and that of Her Majesty Queen Elizabeth of Great Britain, will be hung in the club library.

Mrs. Tufty's inauguration on June 17 will be held at the spacious home of an associate member, Mrs. Martin Vogel, a philanthropist and well known Washington hostess famous for her parties entertaining wounded Vietnam servicemen. Mrs. Tufty was a war correspondent in World War II, Korea and Vietnam.

Mrs. Tufty, a native of Kingston, Mich., has had other honors from her colleagues. For a long time affiliated with NBC, she has been National President of American Women in Radio and Television.

In 1966 she was presented with the Headliner Award by Theta Sigma Phi, the honorary journal-

She is a sister of former Michigan Gov. Murray D. Van Wagoner. She was in Holland, Mich., Nov. 9, 1968, to address the Woman's Literary Club. She was a guest of the W. A. Butlers at the time.

3-Car Crash Injures Three

Holland police are investigating a three-car accident at 17th St. and River Ave. that occurred at 12:10 p.m. Sunday, injuring three persons.

One of the drivers, Albert J. Witteveen, 80, of 1833 Lakewood Blvd., complained of pain in the rib cage and was released from Holland Hospital after being x-rayed.

Witteveen's two passengers were also taken to Holland Hospital. Henry Witteveen, 75, of St. Paul, Minn., was admitted for observation and was expected to be released later today. He complained of pain in the lower back. Henry's wife, Wilma, 78, suffered right knee contusions and was released after treatment.

Police said Witteveen was going south on River Ave. when he struck a car going west on 17th St. broadside. It was driven by Glenn Alan Syera, 22, of Wyoming.

The impact spun the Syera car around, causing it to hit the left rear fender of a car driven by Lyle Keith Vander Haar, 31, of 596 Huizenga St.

Neither Syera, Vander Haar, nor Vander Haar's two passengers were reported injured.

Ottawa County Sheriff Deputy Robert Dykstra and tracking dog Durwood made the scene and traced the child's steps for nearly 40 minutes. The path was traced over fields and wooded areas to find the boy playing in the back yard of a house located two doors down from his own house.

The child had been missing for two hours and 10 minutes.

Holland Township Okays Water

But Park Township Program Is Halted By Objections

Holland township is prepared to go ahead with its proposed water program, but in Park township where written objections amount to more than 20 per cent of the land area involved, the program is halted unless subsequent petitions favoring the project are signed by owners of at least 51 per cent of the land area.

Holland Township Supervisor James G. Brower said careful examination of all petitions received at the townships public hearing May 12 has revealed objections affect less than eight per cent of the total land area in the proposed special water assessment district.

He said that in making this determination, the board counted all petitions received regardless whether the petition opposed the water project in general or just one specific street or portion thereof.

Park Township Supervisor Herman Windemuller said since Holland township was proceeding with plans, this would be an opportune time to join with Holland township and construct a joint system since the cost to Park township would be less than if the township went alone at a later date.

Brower said the Holland township board would be receptive to such a study since the initial study started out as a joint project.

Brower said the Holland township board is currently studying petitions which have been received to determine whether or not certain areas can be deleted where the majority of property owners do not want water at this time. He said the board must necessarily consider how acute the need for water is in a particular area and how this area fits into the overall water system.

Every effort will be made to restrict the water system to those areas which need water and where property owners favor construction of mains at this time, he added. Final decision on boundaries of the water district will be made as quickly as possible, he said.

HAZAH Okays Study on Housing For the Elderly

Board members of HAZAH (Holland and Zeeland Area Non-profit Housing Corporation) are making arrangements to consult with qualified authorities in studying specific housing needs in the community at large.

At their meeting Tuesday night, they voted to invite specialized building developers to speak to their group on the feasibility of creating a facility in this area for citizens of retirement age.

According to Huger Burnham, HAZAH chairman, these specialists would survey the area, including Holland and Zeeland and environs, to determine the need of special housing for the elderly. The survey is made without cost.

If the need is apparent and the decision is made to proceed with site location and building construction, the developers would put up a complete "turnkey" operation for local ownership and management.

Typical financing arrangements include the use of government funds on a 50-year payment plan at 3 per cent interest, Burnham said. It was emphasized that this type of development is only one possibility being considered.

HAZAH also will invite representatives of LIFT, a Kalamazoo organization, to a meeting and outline their experience in the rehabilitation of old houses for occupancy by low-income families. This is one of the projects envisioned by HAZAH.

Because of a conflict in schedules, Peter Boter was unable to attend the meeting and report on the progress of formal incorporation of HAZAH.

Ramon Rios Jr., 13, of 72 West Seventh St., was injured at 7:48 p.m. Friday when he rode his bicycle into the path of a car that was coming from a driveway on the west side of the building at 81 West Eighth St.

Rios was taken to Holland Hospital and released after treatment of an abrasion to the left thigh and a contusion of the right cheek.

Holland police lodged the car driver, Clemente Casablanca, 31, of 81 West Eighth St., in Holland jail because he was driving on a suspended operator's license.

HAZAH Gets
\$1,000 Gift
From Rotary

HAZAH, the Holland and Zeeland Area Non-Profit Housing Corporation, has received a \$1,000 contribution from Holland Rotary Club to further its broad program throughout the greater community.

C. J. Steketee, Rotary president, announced the gift following a special meeting of the club's board of directors Thursday.

"Our directors voted unanimously to support HAZAH with this contribution, with the understanding that it can be used to implement any of the various objectives of HAZAH," Steketee said.

He added, "It is our hope that other service clubs as well as business concerns and individuals will express their approval of HAZAH through their financial support. Volunteer contributions will help to lighten the burden of work for the HAZAH committee members who are themselves volunteering their time and effort on this community service project."

Huger Burnham, HAZAH president, expressed his gratitude on behalf of the corporation for the contribution from Rotary. "This \$1,000 contribution means a great deal to us, not only because it is a substantial sum of money, but also because it is a very real evidence that our community does place a value on the objectives that HAZAH has set," he said.

HAZAH was organized a few weeks ago to study specific housing needs in the area and to take steps to meet them where possible. Surrounding townships are included in the scope of the project.

Included in the corporation's objectives are housing for aged persons, adequate housing for incoming workers, and remedying sub-standard housing conditions. HAZAH contemplates the use of both government and private financing to achieve its objectives.

Mrs. Alan J. Vanden Berg

Kissing candles and tree candelabra decorated with white gladioli, aqua pompons and pink carnations graced the sanctuary of the Maple Avenue Christian Reformed Church Friday evening and formed the setting for the wedding of Miss Ruth Marie Versendaal and Alan James Vanden Berg.

The Rev. Robert Ver Meer and the Rev. Gordon Van Oostenberg read the nuptial rites and music was provided by Dolores Klomprens, sister of the groom and organist, and John Lyons, soloist.

Parents of the couple are Mr. and Mrs. Arie Versendaal, 71 West 18th St., and Mr. and Mrs. Gary Vanden Berg, 32 West 30th St.

Escorted by her father, the bride approached the altar wearing a floor-length skimmer gown of organza over taffeta styled with a wedding ring collar, elbow-length sleeves and re-embroidered Alencon lace yoke with pearl trim. Two rows of lace extended from the yoke to the hemline and circled the chapel-length wattleau train. A pearl-edged headpiece of lace and peau de soie held her veil and she carried five white lilies with pink sweetheart roses.

Miss Martha Versendaal was her sister's maid of honor and was attired in an A-line gown in empire styling of seranno with lace trim. She wore a net, tulle and petal headpiece and carried a nosegay of aqua-tipped white carnations and pink baby's breath with Sals leaves.

Miss Marie Gorney and Miss Esther Versendaal, sister of the bride, were bridesmaids and were attired identically to the honor attendant, Linda

Klomprens was flower girl. Dr. Gary Vanden Berg attended his brother as best man while Frank Klomprens and Thomas Vanden Berg, brother of the groom, were groomsmen. Michael Dominic and Al Bosch seated the guests and Brian Busscher carried the rings.

HAPPY CHILDREN — These special education students of Ventura School show happy grins. They were at the Northland Bowling Alley, in cooperation with Holland and Zeeland bowling alleys in the Ottawa county Trainable Program. The program, besides offering an opportunity to have some

fun, hopes to teach social skills and responsibility. Mrs. Ada Staal, extreme left, and Harold Knoll, extreme right, are in charge of the students. Knoll and John Schreur, Secretary-Treasurer of the Holland Bowling Association hopes to continue the program next year.

Grandstanding Help for Handicapped

By Michael Miller

John Schreur, secretary-treasurer of the Holland Bowling Association, has reported on the work the association is doing to provide some fun and relaxation for retarded children in the area.

They learn to bowl, and in the process, discover a skill that offers a reward. In the instruction of retarded children, the more they learn, the more they can apply the learning process to other areas in their lives.

The Association is cooperating with Holland, Northland, and Zeeland Bowling Alleys, and they have sponsored six outings for the Special education students of Ventura School. This program is not unique or alone; as a result of local interest and support, eight students were invited to take part in the Michigan Bowling Championship for Handicapped Children held in Kalamazoo in April.

Ventura School serves West Ottawa and North Allegan County in teaching mentally handicapped children. The school is located on 168th Ave. and Quincy Street in the West Ottawa School District.

The program officially is known as the Ottawa County Trainable Program, financed by the Intermediate School District and the West Ottawa Schools.

Special mention should be made of the teachers, who have done a fine job with these youngsters. Harold Knoll, instructor for the teen-aged students, hopes to continue the program next year. Mrs. Ada Staal teaches the younger children, and both are assisted by two full time aides, Mrs. Bonnie Bruursema, and Mrs. Darlene Plagemars.

Besides giving the children a little fun, they are learning social skills, and responsibilities by involvement in the community. Hats off to the program.

Exchange Club Features Talk

By D. Gebraad

At Monday noon's luncheon of the Exchange Club, the speaker was Donald Gebraad, director of vocational education for this area. He was introduced by Exchangeite John VanDyke. His talk dealt with the establishment of the Vocational - Technical Community College now being considered for the Ottawa-Allegan area.

This college is proposed to give a chance for training to those not going to college and designed to give capable men and women the training that will make them eligible for jobs in the industrial field.

The training would be in such areas as auto mechanics, upholstery, furniture repair, nursing, secretarial work, baking, food serving, construction, farming methods, salesmanship, beauty culture and many others.

Not enough training can be given in high school and personnel managers say that trained help is hard to find. High school students could attend high school for half a day and spend the other half in condensed training at the college.

It is hoped that in August voters will pass a two mill maximum levy for the support of such a college.

At the beginning of the program, a new member, Thomas Burgess was inducted into the club by Exchangeite Clarence Jalving.

President Jack Leenhouts presided. The date for the annual summer picnic was set for June 23.

Officers for the following year were elected. They are president, Dale VanLente; Vice president, Donald Schipper; secretary, Russell Welch; treasurer, William DeHaan; board of directors, H. Dekman, G. Klouw, L. Kuiper.

116th Fair Plans Set In Allegan

ALLEGAN — Plans for the 116th annual Allegan county fair were unveiled Thursday night at a meeting of fair and officials and representatives of communities throughout the county.

The dinner meeting attracted more than 80 county residents who are actively involved in various phases of the fair. It was held at the Ot-Well-Egen country club.

Weldon Rumery, fair board president and secretary, listed some of the major attractions already booked for the fall event which will run, Saturday through Saturday, Sept. 6-13.

Dean Martin's Goldiggers, the 12 singing and dancing girls skyrocketed to success in the entertainment world in just one television season, will lead the list of big-name talent at this year's fair. They will bring their own musical revue to Allegan Friday and Saturday nights, Sept. 12 and 13.

The fair's third annual country and western music festival, Thursday evening, will feature Sonny James and "The Country Gentlemen," Rumery announced.

Teen Saturday - opening day will offer the Camel Drivers and the New World Singers.

The fair will again sponsor two demolition derbies on Monday night. Tuesday and Wednesday Hubert Castle will return to Allegan with his International Circus for the seventh consecutive year.

A major change in the annual Mayors' and Village Presidents' Day parade format was announced by Clifton Schelhas, parade director.

The 4 p.m. parade will no longer form in downtown Allegan for the 12 - block march to the fairgrounds, Schelhas said. Both the afternoon and evening parades will form on the grounds and pass in review in front of the grandstand.

The decision to eliminate the downtown parade was promoted by last year's monumental traffic jam, he indicated. The parade has grown so large in recent years that it blocks traffic for more than an hour on two of the city's main thoroughfares.

A parade of champion livestock may also be a new feature of Thursday's program, according to Schelhas.

Rumery said the building program is proceeding on schedule. Three new permanent structures will be completed in plenty of time for the 1969 fair. They include a second commercial display building, a permanent home for the popular "Old Farmers' Museum" and a new sheep and swine shelter. Another new building on the grounds will be the "Shady Nook" cafeteria, privately owned and operated.

Although the exhibit will not be ready this year, Rumery announced that the fair had been presented with the Millgrove School, a one - room country school which will be moved to the fairgrounds in 1970, located next to the farm museum, and completely refurbished as an authentic "little red schoolhouse." The building was presented to the fair by the Allegan school district. Rumery said present plans call for conducting actual school classes in the building during fair week with students garbed in authentic "turn of the century" clothes.

MISS ROGERS REMEMBERED—Tulips were placed on the grave of Lida Rogers in Oak Grove cemetery near Rothbury last week by Nancy Vande Water, nine-year-old granddaughter of Tulip Time Manager William H. Vande Water. Miss Rogers, former Holland High teacher who is credited with originating the idea of Tulip Time in 1927, died in a Marne rest home in 1963. Nancy is the daughter of Mr. and Mrs. Randall Vande Water of Holland.

Tulips Placed On the Grave Of Lida Rogers

Tulips were placed last week on the grave of the late Miss Lida Rogers, the originator of Tulip Time.

Miss Rogers, long-time Holland High biology teacher died in 1963 at the age of 85. Her idea of a tulip festival was the beginning of Tulip Time which marked its 40th anniversary this year.

She is buried in Oak Grove cemetery near Rothbury. The cemetery is located two miles south and a mile west of Rothbury.

The flowers were placed on the grave by Nancy Vande Water, granddaughter of tulip festival manager William H. Vande Water.

According to sexton James Garwood of Montague, the cemetery received its name from the numerous oak trees that shade the graves. Miss Rogers is buried on the Rogers plot. The small stone is in the shadow of a large granite marker honoring the war dead of Grant township.

Located in Grant township, the small cemetery is on recently named Webster Road. The road was formerly called Rogers' Road in honor of Miss Rogers' parents. Miss Rogers' grandparents are also buried in Rothbury.

The cemetery is about two miles from Miss Rogers' birthplace. The old Rogers homestead still stands and serves as a farm home as it did in the days when she was a child, Garwood said. In addition to fruit farming, the Rogers family also kept a large herd of dairy cattle, Garwood added.

Local Chief Graduates From FBI

Holland Police Chief Leslie Van Beveren received his diploma from the FBI National Academy at graduation exercises for the 83rd class May 28 at the White House in Washington, D. C.

The ceremony has been transferred from its traditional location at the Departmental Auditorium in the nation's capital to the East Room of the Executive Mansion at the request of the President.

The President and the Attorney General participated in the exercises marking the successful completion of a 12-week training program which is afforded each year to specially selected candidates drawn from all levels of law enforcement. Many of the 5,435 prior graduates serve in the top ranks of police executives.

Each graduate is allowed two guests and Van Beveren has invited his wife, Carol, and City Manager Herb Holt to attend the functions in the White

Chief Leslie Van Beveren

House. Another reception was scheduled in Mayflower Hotel.

Often referred to as the "West Point of Law Enforcement," the National Academy has been regarded as the most prestigious training program to which a police officer can aspire. In founding the National Academy in 1935, FBI Director J. Edgar Hoover emphasized that its purpose would be to develop professionalism in the ranks of our nation's police officers. Those career officers selected to attend the National Academy would be trained in the most modern and effective methods aimed at combating crime.

Hoover recently noted that the 100 members of the academy's 83rd session represent some 1,300 years' experience with local, county, state and federal law enforcement agencies. They come from 44 different states and the District of Columbia as well as Puerto Rico, the Canal Zone, Canada, Jamaica, Malaysia and Thailand. Among the graduates are representatives of the White House Police, United States Army and the United States Air Force.

Climax of AAUW Year Is Talk by Dr. H. Ridder

The topic "Saving Human Values in a Technological Society" presented by Dr. Herman Ridder, climaxed the year's program for members of the Holland Branch of American Association of University Women Thursday evening in Durfee Hall.

Dr. Ridder President of Reformed Church seminaries helped to clarify many of the ideas presented by specialists in others field of work throughout the year. He began by comparing saving values to choosing what to save in a burning house.

Some of the components of technological change given by Dr. Ridder included increasing capacity to produce more with less work; increasing capacity to communicate, and increasing capacity to yield knowledge needed for new answers to problems.

He continued by saying that science has given us power to control and understand. Man's future no longer rests upon ignorance. As a result of knowledge we see a process of secularization — each sphere of life has spun itself free from domination of magical answers. The great strides in technology which have made man independent also cause him great anxiety, Dr. Ridder said. He is fighting for seeking personal identity which society no longer

confers upon him. "Personal identity" is certainly worth saving and seeking, he said.

Dr. Ridder pointed out how man feels like an object to be used. He feels less efficient than the computer. He feels alienated and must feel a sense of belonging and his own importance, another value to save.

A third reason would be a quest for meaning. Man is no longer as concerned with death, judgment or guilt. He also has no great hopes and commitments and he needs to find a cause, a continuing purpose.

Knowing a little about how a technological society is affecting mankind is a good beginning in helping individuals care.

Outgoing President Mrs. Stuart Padnos presented President Mrs. Steven Van Grouw with a gavel and also introduced other officers.

Mrs. Judson Bradford reported on Legislative day at which five local members conversed with Senators Beebe and Byker in Lansing.

The AAUW Biennial Convention will be in Chicago, June 15-19 at which time Mrs. Martin Luther King will accept funds contributed to the Coretta Scott King fund.

Those serving on the social committee were Mrs. Gerald Van Wyke, chairman, with Miss Evelyn Hefron, Mrs. William Jesiek, and Mrs. Richard Trask.

Crash Claims Holland Man

A two-car collision at the intersection of M-21 and 112th Ave. at 11:54 a.m. Saturday claimed the life of a Holland man and put the county's traffic death toll to 10.

Glenn Allen Kamps, 30, of 405 Van Raalte Ave., was pronounced dead on arrival at Holland Hospital of injuries received in the accident to which there were no apparent witnesses.

The car Kamps was driving west was struck broadside in the collision with a car going north on 112th Ave. driven by Francis Ramirez, 42, of 337 East Washington, Zeeland. Both drivers were travelling alone.

Ottawa county sheriff's deputies are seeking any possible witnesses to the accident. Officers arrived at the scene within minutes after receiving the call and found a crowd milling around; however, no one would admit to seeing the actual impact.

Two drivers, one in a blue car and the other in a red or maroon one, might possibly have been near the intersection at the time, deputies believe, and they are asked to volunteer any information if they can.

Mrs. Ramirez received multiple contusions and abrasions and was admitted to Holland Hospital where she is reported good condition Monday.

Kamps, a deaf mute, had sustained multiple contusions and lacerations about the face and head and a possible neck fracture. Dr. Edward Helbing was medical examiner.

Deputies said both cars landed on the north side of the westbound lane of M-21 after impact and both were facing east. The 1967 station wagon driven by Mrs. Ramirez was near the intersection about two feet from the edge of the road.

Kamps' 1966 car landed about 146 feet from the intersection in a ditch 20 feet from the edge of the road.

Both drivers were found in the front seat of their cars.

Holland police who assisted in directing traffic for the ambulance carrying Kamps and Mrs. Ramirez said a car pulled into the path of the ambulance at the intersection of River Ave. and 16th St., getting hit on the right side. The car was driven by Geneva Slenk, 43, of route 5, Holland.

Police said ambulance driver Richard Bont, 22, of Wyoming, had slowed at the intersection and paused briefly before continuing to the hospital on the go-ahead of the officer.

Kamps, a member of Faith Christian Reformed Church, is survived by his parents, Mr.

Kamp Kiwanis Development Under Study

Possible further development of Kamp Kiwanis was discussed Thursday night before representatives of civic organizations Thursday night in the Salvation Army Citadel.

In an effort to broaden a youth camping program for the community, the Kiwanis Club which obtained the 40-acre tract some 20 years ago has had plans drafted by Architects Kammeraad and Stroop calling for establishing more camp sites, additional lodges, better roads and trails and possibly a swimming pool.

Attending Thursday night's meeting were representatives of Kiwanis, YMCA, Salvation Army, City Mission, Higher Horizons, Junior Welfare League, Camp Fire Girls, the press and Holland police. Another meeting will be held at the camp, tentatively scheduled June 16.

Jerry Roper of the Kiwanis Club sketched the history of the project emphasizing that further utilization of the property could answer many more needs in the community. In outlining the architect's plan he said priority probably would be given sanitary facilities.

No commitments were sought at the initial meeting called mainly for an interchange of general information and ideas, nor were any financial plans charted for obtaining funds for development.

Kiwanis Kamp is located on the east side of Lake Shore Dr. a quarter mile north of Lakewood Blvd. It has served as a day camp for Camp Fire Girls for many years. A trail through the wooded area leads to James St. which has public access to Lake Michigan for swimming.

Considerable emphasis to the needs of underprivileged youth was given at Thursday's discussion.

Dr. Cavanaugh, Students Feted At Reception

Dr. Robert Cavanaugh, chairman of the department of music at Hope College, and several music students who are graduating this June were honored Thursday night at a reception held at the home of President and Mrs. Calvin A. Vander Werf.

About 70 attended the affair which immediately followed the May student recital held in Dimmet Chapel.

Dr. Cavanaugh, who is leaving the chairmanship of the department after 29 years to return to full-time teaching, was praised for the remarkable way the department developed throughout the past decades.

Said Dean Morrette Rider, in tracing the history of Cavanaugh's time at Hope: "From a faculty of three in pre-war days, the department now has 13 members. A staggering number of courses are now offered in contrast to earlier days; facilities are greatly improved, moving as we did from a house to the building now known as Columbia House, to the Walsh house (which now is a People's State Bank parking lot), to the present Nykerk auditorium; the offering of the bachelor of music degree, and becoming full members of the National Association of Schools of Music."

Dr. Rider is presently dean for academic affairs but also had served on the music faculty for years.

He further added: "His leaving the chairmanship should not be considered a retirement at all as Dr. Cavanaugh is returning to his first love — full-time teaching, and the department, which operates in a democratic way, using guidance and persuasion instead of an authoritarian approach, will proceed under the new leadership of Robert Ritsema.

Dr. Cavanaugh responded briefly.

Speaking for the seniors was Peter Walther of Walkill, N. Y. Honored guests at the reception were Mrs. Norma Hark Baughman and Mrs. Esther Snow, both retired music faculty members.

Charles Aschbrenner served as master of ceremonies. He was assisted by Miss Jantina Holleman.

Adult Graduating Class Hears Talk by Hubbel

"Opportunity does occasionally knock twice—members of this class took this opportunity," said Norwood Hubbell, president of the Fleetwood Furniture Co. of Zeeland as he addressed the third annual graduating class of adult education of West Ottawa High school and a group of nearly 100 persons Monday evening at West Ottawa High school.

Hubbell using the theme "Goals of Achievement," stressed four points, importance, value to family, achievement and satisfaction.

He said that the personal benefits of the certificate or diploma meant in some instances personal satisfaction with better pay, more responsibility and that they have become acquainted with patience.

Under Value to the family, he knew that all had wives or husbands and children who were deprived of some activity or schedule in order to aid them obtain this award. But this sacrifice gave the children something to boast about. The sacrifice of personal pride gives the fringe benefits of love and respect from the family and the award makes the family think the best of the winner, the speaker said.

"Self confidence is in the goal of achievement," Hubbell continued. The striving toward the difficult row—becomes a real and lasting self confidence to those seeking it. It makes the future doors of achievement swing wider.

Hubbell also pointed out the deep satisfaction of being able to serve better in his church and community because of the completion of the many hours of work needed to obtain a certificate or a diploma.

In his opening remarks, Hubbell recalled why this graduation is important. It is an unusual class, he stated. In this class the youngest was 20 and the oldest 50. The motivation of the class was that none of them were compelled to attend by law.

Peter Roon, assistant superintendent and director of Adult Education, presided. West Ottawa School Supt. Lloyd Van Raalte awarded diplomas to Janice Alderink, Glenn Moek, Patricia Fought, Marvin Mersman, Robert Van Dyke and Harry Konynebell.

Certificates went to Junior Hop, Donald Caauwe, Jack Bronson, Mary Dekker, Sheryl Dekker, Kenneth Kruitthof, Phyllis Loucks, Donald Nivison, Viola Nivison, Celestino Reyes, Sharon Van De Vusse, Pamela Lamberts, Richard Johnson and Frank Schmidt.

Introduction of the West Ottawa School board who were in attendance was made, as was the introduction of Roger Boor, Counselor for adult education and members of the teaching staff. Norman Boeve gave the invocation.

This is the first year that the West Ottawa Board of Education approved the issuing of High school diplomas in the Adult Education field.

Rev. Buttrick Speaks At Seminary Graduation

"In all our speaking, the only hope we have is that the last word is with God!" With these words, the Rev. David G. Buttrick, associate professor at Pittsburgh Theological Seminary, addressed the Western Theological Seminary graduates of the Class of 1969 Monday night. Speaking on the subject, "The World and the Worlds of Men," Prof. Buttrick gave what he called a blunt talk about the power of the word. He described how words give us our world, our history, and the means for our self-discovery and self-understanding. To change lives and attitudes, he declared that you must change language, to let the power of the word speak to the needs of men.

Christian history stands within human history, he said, and the church preaches the Word, Jesus Christ, who stands at the center of history. Proclaiming the name of God places Him in the world a new, making Him present in that world, he said. In graphic language, he described the new world which is coming into being, ushered in with a rapidly-changing language. He urged the seminary graduates to disengage the Gospel from words which are passing out of usage, and cast the Gospel into new language, using the words of God.

The 93rd commencement was held in Dimmett Chapel with President Herman J. Ridder presiding. The Scripture lessons were read by Dr. Elton M. Eenigenburg, academic dean of Western Seminary. The colorful "hooding" ceremony was con-

ducted by Eenigenburg, Ridder, and Willard C. Wichars of Holland, treasurer of the board of trustees who placed hoods upon the graduates as they were presented by the dean and given their diplomas by the president. The worship service prepared by graduating student James R. Esther concluded with a Litany of Dedication, which involved the leader, the graduates, and the people in the audience.

Prof. Roger J. Rietberg, associate professor of music at Hope College, presided at the organ.

A reception for graduates and their friends and relatives was held in the commons of Western Seminary following the commencement service. Middle and junior students and their wives presided at the punch bowls on tastefully decorated tables. The student committee of arrangements for the reception was headed by Mr. and Mrs. Herman Gruis.

Bachelor of Divinity degrees were awarded to 28 graduates, Master of Christian Education degrees to six graduates and Master of Theology graduate degrees to two graduates.

Holland Police Round Up Two Stray Calves

It wasn't a new physical fitness program, but Holland policemen got plenty of exercise early Friday rounding up two calves in the Larkwood area that had apparently been scared away from a 26-head herd about a mile away.

Mrs. Robert H. Darrow called police at 7 a.m. Friday to report two calves at their residence at 636 Concord Dr. She reported they were "standing under the apple tree" in their yard.

Police were already in the area trying to locate the calves which had sauntered over to the sugar peas in the garden at the Keith Houting residence next door at 644 Concord Dr. by the time police arrived.

Police received an assist in lassoing the calves from John and Dave Darrow, 12 and 9 years old respectively, and 13-year-old Lynne Houting.

The 20-minute chase concluded with one calf tied to a tree and the other tied to a clothes pole.

The calves were picked up later in the morning by owner Russel Plockmeyer of 6312 145th Ave. who believed they were scared off by dogs who may have chased them over a mile away from their home.

Repairs not only include re-hoeing of a garden, but also a small mending job on a pair of policeman's trousers.

A LESSON FOR ADULTS — Background and color made no difference to these two groups of Brownies when it came to making friends. One hour before this picture was taken the

girls from Zeeland had never met the girls from the Grand Rapids Inner City. Now they were set for a rollicking good time at Windmill Island. (Sentinel photo)

51 Brownies Share Trip And Lunch

Operation: Friend - Maker had an auspicious beginning last Saturday.

A total of 30 selected Brown-

ies from Zeeland invited 21 Brownies from the Franklin - Hall Complex and the Henry School in Grand Rapids to be their guests for a tour of Windmill Island and a picnic at Kollen Park. Everyone involved proclaimed the experience a huge success.

Mrs. Daisy Frank, district advisor for Girl Scout work in

Grand Rapids, is working toward providing more educational experiences for Brownies in the Inner City. Many of these girls have never been away from Grand Rapids, she said. This initial contact between two groups of girls will be expanded with an exchange of letters and visits in the future, and perhaps another trip. The girls discovered as did their

leaders, that color and background have little to do with making new friends.

Grand Rapids leaders who accompanied the group were Mrs. Franks, Mrs. Mary Bondon and Mrs. Donald Cyranowski. Zeeland leaders were Mrs. Wayne Wiersma, Mrs. Leon Voss, and Senior Scouts Sally Slaght and Diane Strowenjans.
